make the MANN LINE your MAIN LINE!

Since America was very young, MANN axes have been the finest made. Today *fifth-generation* craftsmen ply their trades using finest American-made steels, modern equipment and scientific methods, and complete them with nature's finest handle material—SOLID HICKORY. For *eye-appeal*, long *service* and true *economy* they have no equal. The brand of the "professionals" as well as the "do-it-yourself" trade.

Stock up with fast-selling MANN *Axes, Hatchets, Hammers, Garden Tools, Specialties.*

A. KNOT KLIPPER—One of the oldest and finest brands; nothing better on the market. 12 patterns, double and single bit.
